Why we need values-centered leaders

What is a leader? A leader is someone who takes charge, manages risk, and stands firm in the face of adversity. But leaders who pay strict attention to their core values excel to greatness. Character is key. Dr. McKinley Johnson examines leadership from a biblical perspective--why some leaders soar and others fail.

The author, a leadership specialist, discusses both the nature and role of values, its significance on individual and organizational behavior and how leaders can identify, integrate, and adopt values that lead to rich fulfillment. Jesus serves as our perfect example for His values defined every miracle He performed and He encourages us as His disciples to do likewise.
