Alfred Nordmann

Wittgenstein's Tractatus: An Introduction (Cambridge Introductions to Key Philosophical Texts)

Alfred Nordmann

Ludwig Wittgenstein's 'Tractatus Logico-Philosophicus' is one of the most important books of the twentieth century. It influenced philosophers and artists alike and it continues to fascinate readers today. It offers rigorous arguments but clothes them in enigmatic pronouncements. Wittgenstein himself said that his book is 'strictly philosophical and simultaneously literary, and yet there is no blathering in it'. This introduction, first published in 2005, considers both the philosophical and the literary aspects of the 'Tractatus' and shows how they are related. It also shows how the work fits into Wittgenstein's philosophical development and the tradition of analytic philosophy, arguing strongly for the vigour and significance of that tradition.

From reader reviews:

Jonathan Scott:

Book is written, printed, or created for everything. You can understand everything you want by a guide. Book has a different type. As it is known to us that book is important factor to bring us around the world. Beside that you can your reading skill was fluently. A publication Wittgenstein's Tractatus: An Introduction (Cambridge Introductions to Key Philosophical Texts) will make you to be smarter. You can feel considerably more confidence if you can know about every little thing. But some of you think which open or reading a new book make you bored. It isn't make you fun. Why they might be thought like that? Have you seeking best book or appropriate book with you?

Nannie Hernandez:

As people who live in the actual modest era should be change about what going on or facts even knowledge to make these people keep up with the era which is always change and make progress. Some of you maybe will update themselves by studying books. It is a good choice in your case but the problems coming to you actually is you don't know what one you should start with. This Wittgenstein's Tractatus: An Introduction (Cambridge Introductions to Key Philosophical Texts) is our recommendation so you keep up with the world. Why, as this book serves what you want and want in this era.

Willie Dreher:

Spent a free a chance to be fun activity to perform! A lot of people spent their sparetime with their family, or their particular friends. Usually they doing activity like watching television, going to beach, or picnic within the park. They actually doing same thing every week. Do you feel it? Do you wish to something different to fill your own personal free time/ holiday? Might be reading a book may be option to fill your free time/ holiday. The first thing that you ask may be what kinds of guide that you should read. If you want to attempt look for book, may be the guide untitled Wittgenstein's Tractatus: An Introduction (Cambridge Introductions to Key Philosophical Texts) can be very good book to read. May be it could be best activity to you.

Nicol Thomas:

What is your hobby? Have you heard that will question when you got students? We believe that that query was given by teacher with their students. Many kinds of hobby, All people has different hobby. And you also know that little person similar to reading or as looking at become their hobby. You need to know that reading is very important in addition to book as to be the thing. Book is important thing to provide you knowledge, except your current teacher or lecturer. You find good news or update about something by book. A substantial number of sorts of books that can you go onto be your object. One of them are these claims Wittgenstein's Tractatus: An Introduction (Cambridge Introductions to Key Philosophical Texts).
