A Nearly Perfect Copy: A Novel Allison Amend

Richly drawn and sharply observed, *A Nearly Perfect Copy* is a smart and affecting novel of family and forgery set amidst the rarefied international art world.

Elm Howells has a loving family and a distinguished career at an elite Manhattan auction house. But after a tragic loss throws her into an emotional crisis, she pursues a reckless course of action that jeopardizes her personal and professional success. Meanwhile, talented artist Gabriel Connois wearies of remaining at the margins of the capricious Parisian art scene, and, desperate for recognition, he embarks on a scheme that threatens his burgeoning reputation. As these narratives converge, with disastrous consequences, *A Nearly Perfect Copy* boldly challenges our presumptions about originality and authenticity, loss and replacement, and the perilous pursuit of perfection.

Larry Huff:

As a university student exactly feel bored to help reading. If their teacher asked them to go to the library in order to make summary for some book, they are complained. Just very little students that has reading's soul or real their hobby. They just do what the instructor want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that looking at is not important, boring in addition to can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this A Nearly Perfect Copy: A Novel can make you sense more interested to read.
