Frank Burnett

Bound-for-Career Guidebook: A Student Guide to Career Exploration, Decision Making, and the Job Search Frank Burnett

While the American workplace affords many and varied career options, the process of determining what to do with one's life remains a significant challenge. The *Bound-for-Career Guidebook* views career identification, selection, entry, and progression as part of a larger developmental process—the career development process. This book addresses the incredible importance that change plays in education and career. What we need to know and the skills required to perform our work roles are affected dramatically by change, and all workforce members must possess the ability to learn and adapt. Empowered students and workers are better able to guide themselves through their personal career journeys. The *Bound-for-Career Guidebook*, with its information and exercises, will point you in the direction of opportunities and options that are realistic, desirable, and achievable.
