English Grammar For Schools and Colleges Muhyideen Olasunkanmi Imam

The book in view endeavours to present the traditional and modern concepts of grammar and composition for the benefit of students and other language users. The urge for writing this book came, sequel to the poor performance of students in English language, both at internal and external examinations. This stems from the lack of adequate knowledge of the subject by majority of the students and non-availability of standard textbooks on the subject. The chapters in this book, seemingly diverse in nature, scope and treatment, are centred on grammatical basics in the English language which are indispensable in effective communication. Students and teachers will gain a valuable mastery of the basic grammatical concepts of the English language and, above all, the necessary skills which are needed for effective writing. We structured this book in such a way that it will be useful to the learners and experts of the language. This book will be essential to all students of English Language and their teachers in various levels of academic pursuit. This book will constitute some important contributions to scholarship; it is certain that students and users of the English language will find it useful.
