Explosion Green: One Man's Journey To Green The World's Largest Industry David Gottfried
Explosion Green tells the twenty-year story of the global green building movement through the eyes of David Gottfried, the man who helped start it all. Explosion Green reveals the inner workings of the building industry as it comes to grips with the need for environmentally friendly practices. It describes how the industry has evolved, and how this evolution has helped fight climate change and prevent further damage to the environment while creating a multibillion-dollar industry. Filled with his unique insight and self-deprecating humor, Gottfried's riveting memoir demonstrates how one person can start a global movement.
