The city streets run red with revolution! Map out your campaign on these three giant poster maps designed for use with the Hell's Rebels Adventure Path. This map folio contains three huge poster maps that depict two cities central to the campaign. The city of Kintargo, the setting for most of the Adventure Path, comes to life in two of these maps. One poster map is clearly illustrated to provide the Game Master with a useful tool to plot out the movements of the enemy forces throughout the city, while the second map of Kintargo is lavishly illustrated and suitable for a player handout. The third poster map depicts Vyre, the City of Masks—a debauched city of vices and secrets. Whether you're running the Hell's Rebels Adventure Path or any other urban fantasy campaign, these maps are the perfect resource for your game.
