"Why The Rainbow" teaches intellectual faith, the facts of belief. It investigates and compare scientific creation to biblical creation, natural law with moral law, the intellectual construction of love, and so much more. We can move closer to God by knowing him more intimately, as is the nature of all successful and nurturing relationships. The Pense series reviews the conscience vs the conscious, inspiration and madness, and so much more. Faith in a singular creator God coming to man as the saviour Jesus is strengthened by reasoning wisdom!
