It's time for the big game, and you're a key member of the Chosen Team! A football game is the creative device popular speaker Brad Wilcox uses in this book to help young people better understand the game plan they need to battle it out with Satan's team. He writes, 'Satan's team is tough, but you're not alone in this contest. You've got some good playbooks in the scriptures. Prophets and other Church leaders are great coaches, and you could never make it without your teammates, family and friends who are right there on the field with you.' Complete with a pep rally of encouragement and a halftime report from Brad's personal experiences, you'll find fun ways for young people to review the opponent and make a winning game plan for their eternal future.
