*When it comes to matchmaking, will two longtime friends put their relationship on the line for the sake of love?*

For ten years lawyer Destiny Brockman saw her carefree—*but very, very fine*—neighbor Miles Stafford as just a good friend. After all, she was totally focused on her career and he was the type of brother who put the P in player. So when she swore up and down that there were no good men in Atlanta, Miles proposes a friendly wager. They would set each other up on a date with the perfect match. But the undeniable attraction between them that's been simmering for years could put Destiny in danger of losing the bet...and winning the sweetest reward.
