Never Loved: A Dark Obsession Novel Charlotte Stein

Perfect for fans of Katy Evans, the first novel in the Dark Obsession series tells the story of a beautiful wallflower who falls for a chiseled street fighter—and learns just how dangerous love can be.

Beatrix Becker spent most of her life under the thumb of her controlling, abusive father. And now that she's free and attending her dream college, she has no idea how to act like the normal crowd: partying, going on dates, even having a conversation. Then she meets Serge Sorensen. Big and surly with a whole host of riotous tattoos, Serge is supposed to scare the hell out of her. But beneath his harsh exterior, Beatrix discovers a kindred spirit who knows what it's like to be a misfit. Most exhilarating—and terrifying—is what he does for a living: illegal street fighting.

There's nothing like the rush Serge gets from the intense athleticism and brutal glory of combat—though his chemistry with Beatrix comes close. Slowly at first, he introduces her to his world, where he lives by instinct, passion, and desire. He even helps her out with her equally traumatized brother. But when Serge gets in too deep with the wrong people, he ends up paying in blood. And suddenly, just as Beatrix has been drawn into Serge's perfectly sculpted arms, she's thrown once and for all into the fight of his life.
