Strongest Conjuration: A Tor.Com Original Skyler White

A tale of the Incrementalists—a secret society of two hundred people, with an unbroken lineage reaching back forty thousand years. They cheat death, share lives and memories, and communicate with one another across nations and time. They have an epic history, an almost magical memory, and a very modest mission: to make the world better, a little bit at a time. Their ongoing argument about just how to accomplish this is older than most of their individual memories. They first appeared in the 2013 novel The Incrementalists by Steven Brust and Skyler White; subsequently, Tor.com published an *Incrementalists* story by Brust, "Fireworks in the Rain." "Strongest Conjuration" takes place directly after the events of the novel.
