The Day Before Lisa Schroeder

From the author of *I Heart You, You Haunt Me*, an irresistibly romantic novel in verse.

Amber's life is spinning out of control. All she wants is to turn up the volume on her iPod until all of the demands of family and friends fade away. So she sneaks off to the beach to spend a day by herself.

Then Amber meets Cade. Their attraction is instant, and Amber can tell he's also looking for an escape. Together they decide to share a perfect day: no pasts, no fears, no regrets.

The more time that Amber spends with Cade, the more she's drawn to him. And the more she's troubled by his darkness. Because Cade's not just living in the now—he's living each moment like it's his last.

Told in verse and brimming with raw emotion and pure romance, this is a gracefully woven tale of life-changing secrets and unexpected friendship.
