The Galton Case: A Lew Archer Novel Ross Macdonald

Almost twenty years have passed since Anthony Galton disappeared, along with a suspiciously streetwise bride and several thousand dollars of his family's fortune. Now Anthony's mother wants him back and has hired Lew Archer to find him. What turns up is a headless skeleton, a boy who claims to be Galton's son, and a con game whose stakes are so high that someone is still willing to kill for them. Devious and poetic, **The Galton Case** displays MacDonald at the pinnacle of his form.

From the Trade Paperback edition.
