Welfare, Happiness, and Ethics

L. W. Sumner

Welfare, Happiness, and Ethics L. W. Sumner

Moral philosophers agree that welfare matters. But they disagree about what it is, or how much it matters. Wayne Sumner presents an original theory of welfare, investigating its nature and discussing its importance. He considers and rejects all notable theories of welfare, both objective and subjective, including hedonism and theories founded on desire or preference. His own theory connects welfare closely with happiness or life satisfaction. Reacting against the value pluralism that currently dominates moral philosophy, he advances welfare as the only basic ethical value. He concludes by discussing the implications of this thesis for ethical and political theory. Written in clear, non-technical language, and including a definitive survey of other work in this area, Sumner's book is essential reading for moral philosophers, political theorists, and welfare economists.

From reader reviews:

William Perez:

Do you have favorite book? For those who have, what is your favorite's book? Reserve is very important thing for us to be aware of everything in the world. Each reserve has different aim or even goal; it means that e-book has different type. Some people really feel enjoy to spend their time for you to read a book. They are really reading whatever they get because their hobby is reading a book. Think about the person who don't like studying a book? Sometime, person feel need book if they found difficult problem as well as exercise. Well, probably you'll have this Welfare, Happiness, and Ethics.

Michael Duckett:

As people who live in the particular modest era should be change about what going on or details even knowledge to make these individuals keep up with the era that is certainly always change and move forward. Some of you maybe can update themselves by looking at books. It is a good choice for you but the problems coming to you is you don't know which one you should start with. This Welfare, Happiness, and Ethics is our recommendation to help you keep up with the world. Why, because book serves what you want and want in this era.

David Conover:

Welfare, Happiness, and Ethics can be one of your beginner books that are good idea. All of us recommend that straight away because this reserve has good vocabulary that will increase your knowledge in terminology, easy to understand, bit entertaining but nevertheless delivering the information. The article writer giving his/her effort that will put every word into pleasure arrangement in writing Welfare, Happiness, and Ethics yet doesn't forget the main level, giving the reader the hottest and also based confirm resource info that maybe you can be considered one of it. This great information could draw you into completely new stage of crucial considering.

Helen Scott:

As a pupil exactly feel bored to be able to reading. If their teacher requested them to go to the library in order to make summary for some guide, they are complained. Just little students that has reading's spirit or real their passion. They just do what the professor want, like asked to the library. They go to there but nothing reading really. Any students feel that reading is not important, boring as well as can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this Welfare, Happiness, and Ethics can make you experience more interested to read.
