## **Cómo aman las madres (Crecimiento personal) (Spanish Edition)** Naomi Stadlen

Naomi Stadlen, autora del que está considerado el mejor libro de crianza infantil de todos los tiempos (Lo que hacen las madres), profundiza en el tema de la maternidad en una obra que millones de lectoras estaban esperando. Cómo aman las madres, centrado en el vínculo especial y único que la madre establece con su hijo, es un libro distinto a cuantos se publican sobre el tema. Lejos de "enseñar" a las madres lo que "deben" y "no deben" hacer según unos supuestos pretendidamente científicos, busca acompañar a las mujeres por los prodigios y las inseguridades que afrontan durante los primeros años de crianza: los cambios que experimenta la psique femenina, las operaciones que lleva a cabo el bebé gracias a la influencia materna, la incompreensión social del papel de la madre y la increíble trascendencia de éste.

Tan reconfortante como un grupo de apoyo y más sabio que ningún experto, el libro de Naomi Stadlen devuelve a las madres la dignidad, la fe en su trabajo y la alegría.
