Ettore Rocca

Estetica e architettura (Prismi) (Italian Edition) Ettore Rocca

Da Kant a Derrida, da Schopenhauer a Heidegger, da Nietzsche a Ricoeur e a Vattimo, il volume presenta una serie di testi fondamentali per comprendere il rapporto tra l'estetica moderna e l'architettura. Nel percorso che l'architettura ha compiuto dalla nascita dell'estetica nel Settecento fino ai giorni nostri, vediamo come essa, inizialmente esclusa dalle "belle arti", e considerata gradino più basso tra le arti nella prima metà dell'Ottocento, assume nel Novecento una nuova centralità per la riflessione estetica. Se da un lato l'architettura rischia così di diventare l'arte suprema dell'estetizzazione della quotidianità, e l'architetto l'erede della volgarizzazione del mito moderno del genio, dall'altro essa offre oggi all'estetica l'opportunità di ridefinire il proprio statuto, ripensando la questione dei bisogni dell'essere umano, e ripensando la stessa bellezza come un peculiare bisogno.
