**Want to get the most out of your International Finance course?**

Nowadays the value of daily foreign exchange trading is more than one hundred times the value of annual international trade in goods and services. As result of the great importance of international financial transactions, the subject of international finance continues to develop as fast as—or faster than—any other field in economics and finance. *International Finance For Dummies* sheds light on this increasingly important subject for the growing number of students required to take this course.

If you're an undergraduate or MBA student enrolled in an international finance course, this hands-on, friendly guide gives you everything you need to succeed. Plus, it includes up-to-date information on the latest changes to International Finance Reporting Standards, its impact on a company's overall finances, and the various currencies and institutions available worldwide.

- Serves as an excellent supplement to your international finance texts
- Provides easy-to-understand explanations of complex material
- Brings you up-to-speed on the concepts and subject matter you need to know

*International Finance For Dummies* is your ticket to scoring your highest in your international finance course.
