Bill Emmott

Rivals: How the Power Struggle Between China, India, and Japan Will Shape Our Next Decade Bill Emmott

The former editor in chief of the Economist returns to the territory of his bestselling book *The Sun Also Sets* to lay out a fresh analysis of the growing rivalry between China, India, and Japan -- what it will mean for America, the global economy, and the twenty-first-century world.

Closely intertwined by their fierce competition for influence, markets, resources, and strategic advantage, China, India, and Japan are shaping the world to come. Emmott explores the ways in which their sometimes bitter rivalry will play out over the next decade -- in business, global politics, military competition, and the environment -- and reveals the efforts of the United States to turn the situation to its advantage as these three powerful nations vie for dominance. This revised and updated edition of *Rivals* is an indispensable guide for anyone wishing to understand Asia's swiftly changing political and economic scene.
