Spirits Revived (Daisy Gumm Majesty) Alice Duncan

When a real live (or dead) spirit invades Daisy Gumm Majesty's body as she's conducting a séance and claims he was murdered, Daisy is shocked and afraid, but also curious. She's a fake spiritualist, for heaven's sake. How did a real spirit manage to speak through her? And who killed Eddie Hastings? Why did the Pasadena Police Department rule his death a suicide?

She can't tell anyone, least of all Detective Sam Rotondo, how she received the information that Eddie Hastings was murdered. They'd all laugh at her. And Daisy's still unsure how her relationship with Sam will develop. But Eddie's death needs explaining.

A fun, funny, fast-paced cozy historical mystery, *Spirits Revived* takes Daisy and Sam farther along on their road to togetherness. And Daisy again manages to muddle herself to glory.
