Finding Home Lauren K McKellar

Moody, atmospheric, and just a little bit punk, *Finding Home* takes contemporary YA to a new level of grit...

When Amy's mum dies, the last thing she expects is to be kicked off her dad's music tour all the way to her Aunt Lou in a depressing hole of a seaside town. But it's okay — Amy learned how to cope with the best, and soon finds a hard-drinking, party-loving crowd to help ease the pain.

The only solace is her music class, but even there she can't seem to keep it together, sabotaging her grade and her one chance at a meaningful relationship. It takes a hard truth from her only friend before Amy realises that she has to come to terms with her past, before she destroys her future. **Praise for FINDING HOME:**

'McKellar did a great job showing that progression into a vicious cycle and how to pull yourself back out of it.' — *Moonlight Gleam Reviews*

'*Finding Home* was well written and a quick, satisfying read, one I'm sure teens will relate to.' — *The Eclectic Reader*

'It was engaging but touched on serious issues facing teens today, alcoholism, drug use, sexual assault and the story of a girl trying to find her own feet again.' — *The Diva Booknerd*

'Such a nice book, I will never get tired reading this because at the end I will still get inspired and learn so many things from Amy's life... Not just me but everyone should try to read this book' — *Home of a Book Lover*
