Great Books David Denby

THE NATIONAL BESTSELLER

At the age of forty-eight, writer and film critic David Denby returned to Columbia University and re-enrolled in two core courses in Western civilization to confront the literary and philosophical masterpieces -- the "great books" -- that are now at the heart of the culture wars. In *Great Books*, he leads us on a glorious tour, a rediscovery and celebration of such authors as Homer and Boccaccio, Locke and Nietzsche. Conrad and Woolf. The resulting personal odyssey is an engaging blend of self-discovery, cultural commentary, reporting, criticism, and autobiography -- an inspiration for anyone in love with the written word.
