## **Suzuki Violin Method in American Music Education : Suzuki Method Symposium Item#0280 (About Suzuki Series) John Kendall**

This booklet was written by the first American string teacher to observe and study the Suzuki Method(R) in Japan, Mr. John Kendall. Kendall's gift is in large part his ability to bring the concepts and practicalities of the Suzuki Method(R) to the doorstep of the American private and classroom teacher in language that can be readily understood. The author takes a stab at clearing up the misconceptions sometimes applied to Suzuki, among them: Teaching "en masse," playing with recordings, and a magic formula. The booklet provides a succinct set of ten key factors in the Talent Education process: begin at an early age \* regular listening \* lessons are private \* parents help with practice \* all music is memorized \* note reading is introduced later \* all students follow the same sequence of pieces \* carefully selected music \* cooperation, not competition, is the motivation \* flexibility and freedom of movement. "...some totality of understanding -- some vision of the basic concepts -- is essential for an intelligent application of the ideas." Thus John Kendall sums up his brilliant analysis of the Talent Education process, always leaving the door open for the American teacher to tailor the basic philosophy to his or her unique teaching situation.

#### **Michael Lucius:**

As a scholar exactly feel bored to reading. If their teacher expected them to go to the library as well as to make summary for some guide, they are complained. Just minor students that has reading's heart and soul or real their hobby. They just do what the teacher want, like asked to the library. They go to at this time there but nothing reading significantly. Any students feel that examining is not important, boring as well as can't

see colorful photos on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this Suzuki Violin Method in American Music Education : Suzuki Method Symposium Item#0280 (About Suzuki Series) can make you experience more interested to read.
