The Beauty Kill (Narc Book 6) Marc Olden

On the verge of death from two gunshot wounds, Bolt vows revenge

They call him Black Beauty, because he is the most gorgeous thief the drug world has ever seen. Where some are content to make a living ripping off dime-bag hustlers, Black Beauty steals from big-time dealers, taking profits from international cartels to keep himself rich, well-dressed, and smiling. His latest score netted him \$850,000, along with the twenty-two kilos of cocaine the money was intended to buy. To get it he killed four men, and left one narcotics agent to bleed to death in a parking lot. Before long, Black Beauty will wish he finished the job.

John Bolt is too tough to let a pretty boy kill him. As soon as he's strong enough to lift a .45, he's coming after Black Beauty—even if he has to take vengeance from a wheelchair.
