Transitioning to ICD-10-CM Coding

Carol J. Buck

Transitioning to ICD-10-CM Coding Carol J. Buck

Designed to accompany Carol J. Buck's *ICD-10-CM Online Training Modules*, **Transitioning to ICD-10-CM Coding** makes it easy to learn ICD-10-CM coding and prepare for the AAPC's ICD-10 certification exam. The book provides a step-by-step guide to coding rules and concepts, while the *Online Training Modules* provide practice with realistic coding exercises. After you've read the chapters in the book and completed the online modules, you will be ready to take a practice exam simulating the 75-question AAPC ICD-10 exam (also located in the *Online Training Modules*). Best of all, you can use this integrated course of study to earn continuing education credits!

- **CEUs from AAPC and AHIMA** may be earned when the book is used with *ICD-10-CM Online Training Modules*.
- **A step-by-step approach** makes it easier to learn and remember important information.
- **A practice exam** at the beginning of the online modules measures your familiarity with ICD-10-CM coding.
- **A 75-question mock exam for the AAPC ICD-10 certification exam** follows in the online modules.
- **Complete coverage of the new ICD-10-CM code set** includes practice activities at the end of each chapter and assigned exercises in the online modules.
- **Online module exercises, Quick Checks, and Toolbox features** reinforce the coding rules and concepts, reflect the book's step-by-step organization, and enhance your comprehension.
- **Real-life coding reports** simulate the reports that coders encounter on the job and challenge you to apply important coding principles to actual cases from the field.
- **From the Trenches and Caution! boxes** provide important tips and helpful advice that will be useful when you are working in the field.
- **Official Guidelines for Coding and Reporting boxes** include excerpts of actual coding guidelines, each accompanied by in-text explanations.

From reader reviews:

James Cansler:

The book Transitioning to ICD-10-CM Coding can give more knowledge and also the precise product information about everything you want. Why then must we leave the good thing like a book Transitioning to ICD-10-CM Coding? Some of you have a different opinion about guide. But one aim in which book can give many information for us. It is absolutely proper. Right now, try to closer with the book. Knowledge or facts that you take for that, you could give for each other; you can share all of these. Book Transitioning to ICD-10-CM Coding has simple shape however, you know: it has great and massive function for you. You can search the enormous world by wide open and read a publication. So it is very wonderful.

Karen Garcia:

Information is provisions for people to get better life, information these days can get by anyone at everywhere. The information can be a information or any news even an issue. What people must be consider when those information which is from the former life are challenging to be find than now is taking seriously which one is appropriate to believe or which one the particular resource are convinced. If you receive the unstable resource then you buy it as your main information there will be huge disadvantage for you. All those possibilities will not happen within you if you take Transitioning to ICD-10-CM Coding as the daily resource information.

Alberto Turcotte:

Reading a guide can be one of a lot of activity that everyone in the world really likes. Do you like reading book thus. There are a lot of reasons why people fantastic. First reading a book will give you a lot of new information. When you read a e-book you will get new information since book is one of a number of ways to share the information or their idea. Second, reading through a book will make you more imaginative. When you looking at a book especially tale fantasy book the author will bring someone to imagine the story how the people do it anything. Third, it is possible to share your knowledge to other individuals. When you read this Transitioning to ICD-10-CM Coding, you could tells your family, friends and soon about yours guide. Your knowledge can inspire average, make them reading a e-book.

Randall Wilmes:

Playing with family in a very park, coming to see the sea world or hanging out with buddies is thing that usually you have done when you have spare time, after that why you don't try thing that really opposite from that. 1 activity that make you not sensation tired but still relaxing, trilling like on roller coaster you are ride on and with addition details. Even you love Transitioning to ICD-10-CM Coding, you are able to enjoy both. It is fine combination right, you still need to miss it? What kind of hang-out type is it? Oh can occur its mind hangout guys. What? Still don't obtain it, oh come on its referred to as reading friends.
